GETTING FROM TREVELYAN MIDDLE SCHOOL TO GAINSBOROUGH PRIMARY SCHOOL BY PUBLIC TRANSPORT

We know of three ways: two are by train, either via Slough and Paddington (which should be quicker but involves four changes) or via Richmond (which is slower but needs just one change). The third way is by express bus to Victoria then tube and train, with three changes – this is even slower but may be useful if there's a problem on the trains.

The railway stations in Windsor are 1.25 or 1.5 miles from Trevelyan Middle School – the route on foot is described below but you may prefer to get a lift or taxi.
