This information will be held by the teams helping to plan and run the event and will be erased after the report and results have been published.

This database is also stored on a re-writable disk. The Hundreds Database contains names, gender, local group, age (where declared on entry forms), number of Hundreds started and finished, and years and times. It does not include addresses or telephone numbers. Entrants who do not want their personal details to be stored on the Hundreds Database, should enter by post only and mark the form accordingly.

## **Conduct of the Event**

The LDWA recognises that it has a duty of care towards those participating in the 100 mile event and this is outlined in Section A below. However participants must appreciate they also have a duty to conduct themselves in a reasonable fashion and to obey the Rules of the Event. These duties are outlined in Section B below. Ultimately individuals must take responsibility for their own actions.

### **Section A:**

#### **Organisers' Duty of Care:**

The Event Organisers will undertake a suitable and sufficient risk assessment for the Event and keep it updated. This will be published on the website. They will also liaise with all relevant statutory authorities, including the local Safety Advisory Groups and landowners, and obtain all relevant permissions. The arrangements provided by the Organisers in furtherance of its duty of care will include:

A1 The Organisers will ensure that the event route description is as accurate as possible.

A2 The Organisers will marshal any potential points on the route where the Organisers and the local Safety Advisory Groups consider there to be risks. They will sign those risks as well as other places of potential risk that the Organisers identify. Furthermore, the Organisers, having identified possible risks, will seek to mitigate them in a way that is appropriate, proportionate and reasonable, whilst recognising that not all risks can be removed entirely.

A3 The Organisers will have checkpoints under cover and inside halls as much as is reasonably practicable.

A4 The Organisers will ensure there is sufficient quantity of high quality nutritious food.

A5 The Organisers will implement a robust communications system consistent with the terrain and known difficulties of communication.

A6 The Organisers will provide transport for entrants who retire in order to return them to Walk HQ.

A7 The Organisers will provide First Aid at Walk HQ.

A8 The Organisers will provide provision for entrants to sleep at Walk HQ at the end of the event.

A9 The Organisers will provide entrants with an emergency telephone number.

A10 The Organisers will identify those checkpoints that welcome entrants' supporters, and those that do not. The Organisers will explain why supporters are not welcome at certain checkpoints. This information will be provided on the event website.

## **Section B:**

### **Entrants' Duty of Care:**

B1 Entrants have a personal responsibility for their own fitness and well-being and undertake to prepare appropriately for the event. All participants must carry the appropriate equipment for their own safety and protection.

B2 Two or more checkpoint marshals will have the authority to retire entrants who in their opinion are behind schedule or appear to be showing signs of distress going beyond normal fatigue. Entrants must obey directions given to them by marshals, and hand in their tally and retire from the event if so directed by a marshal.

B3 Retiring entrants should hand in their tally card at a checkpoint and wait for transport to be arranged to Walk HQ. In an emergency, if retiring entrants cannot reach a checkpoint they should pass their tally to another person to hand in, or call the emergency telephone number. Under no circumstances should anyone retire from the event without ensuring the Organisers are informed.

B4 Entrants must not threaten, abuse or insult any marshal on the event. They understand that, if reported, their behaviour might be subject to evaluation by the Hundred Review Group.

B5 Entrants must follow the route description provided, including any late changes notified at the start or on route by marshals, and get their time recorded and tally punched at each checkpoint, including any self-clips.

B6 Entrants must pass through checkpoints in order. If they deviate from the route they must get back on route by the shortest practical means without trespassing on private property. Deliberate deviation from the route to gain advantage will result in disqualification.

B7 Entrants understand that they shall not be allowed in a checkpoint other than during the official opening times of the checkpoint. These times will be displayed on the event website and in the route description. Entrants understand that checkpoint opening and closing times will be strictly enforced. Entrants will be aware of the times when choosing a starting time.

B8 Entrants understand that they will be retired if they arrive at a checkpoint after that checkpoint has closed.

B9 Entrants understand that checkpoint marshals will retire any entrant remaining at a checkpoint for more than two hours.

B10 Entrants must complete the event exclusively on foot unless directed by a marshal to do otherwise.

B11 Entrants must comply with the Countryside Code throughout the event and do nothing to bring the LDWA into disrepute.

B12 Entrants must be generally quiet at night, particularly near residential properties where noise could disturb.

B13 Entrants understand that the Organisers reserve the right to vary the route for any reason such as adverse conditions or road closures, in which case entrants will be informed of the variations by marshals.

B14 Entrants understand that marshals shall be entitled to group entrants for reasons of safety, for example during adverse conditions.

B15 Entrants will be held accountable for the behaviour of their supporters during the event, particularly at checkpoints and at Walk HQ. Entrants should therefore ensure that their supporters do not visit any checkpoint that the Organisers have requested should be kept free of supporters.

B16 No dogs are permitted on the event.
