3.2 If fewer than 550 valid entries are received by **30 NOVEMBER 2018**, all valid applications at that date will be invited to enter (subject to conditions of entry) and any remaining places filled on a first come first served basis irrespective of LDWA membership. The final closing date for entries will be **15 APRIL 2019**.

3.3 The only method of entry is via SiEntries online application.

3.4 Entries will be acknowledged via email.

3.5 Entrants who have not received the final instructions two weeks prior to the event date must check their online status to confirm their entry status. If confirmed, contact the entries secretary by email who will provide the required information.

4 Conditions Of Entry:

All entrants must:

4.1 Be aged 18 years or over on the **25 MAY 2019**

4.2 Have demonstrated their skills to navigate, using a route description, compass and map during both periods of daylight and darkness.

4.3 Provide evidence of having completed an event (or marshals' event) of at least 50 miles, or completion of 50 miles of an event of longer than 50 miles, after **1 JANUARY 2018**. This can be a link to an event website results page. Conditional entry on the basis that a qualifying event will be completed in the future will not suffice. Entries will only be accepted when evidence is produced that a qualifying event has already been completed.

4.4 Be aware that acceptance of an event not included in the list of qualifying events shown on the event website will be at the discretion of the organising committee. However, the event should enable the entrant to display the necessary stamina and fitness and navigate the required distance including during the hours of darkness.

4.5 Have paid the required entry fee in full.

4.6 Agree to comply with **ALL** of the event rules and understand that no liability is accepted by the organisers of LDWA for an injury, damages or loss sustained during, or in connection with the event.

5 Cost:

5.1 The entry fee is **£75** for LDWA Individual and Family Members (membership must be current at the time of entry and also at the time of the event), and **£100** for non-LDWA members. The reduced entry fee for LDWA volunteer helping on the Marshals' Walk is **£60** provided that their specific role(s) in the Marshals' Walk is pre-approved by the event organisers. See Entry Form.

5.2 Payment will be made online via SiEntries.

5.3 The entry fee includes all refreshments provided during the event including a meal at the breakfast checkpoint, transport for retirements, a meal at the finish, a certificate for all starters and a badge for all finishers. Transport of entrants' own food to checkpoints for those with special dietary requirements is included in the cost provided the food is supplied and labelled with their name, walk number and checkpoint number to be delivered to, and the organisers are notified in advance. The event report and results will be published on the event website soon after the event.

6 Ballot:

6.1 If the number of valid entries received at the end of the registration period (see section 3.1) is greater than the entry limit, there will be a ballot to determine which entries are accepted.

6.2 Entries will be grouped into the following categories for the ballot:

1. LDWA Individual and Family Members who have been continuous members prior to **1 OCTOBER 2017**.
2. LDWA Individual and Family Members who joined or re-joined between **1 OCTOBER 2017** and **30 SEPTEMBER 2018**.
3. LDWA Individual and Family Members who joined or re-joined after **1 OCTOBER 2018**.
4. Non-members

6.3 The entries will be drawn from category 1, then category 2, then category 3 and finally category 4 until the entry limit is reached. The entries thus drawn will be accepted.

6.4 The rest of the entries will be drawn in the same order of category to form a reserve list. Entries from the reserve list will be invited in order of drawing to fill the spare place left if payment for an accepted entry is not received. Thereafter, entries may be invited from the reserve list in order of drawing, if space becomes available, at the absolute discretion of the event organisers.

6.5 If two or more entrants wish to be included or excluded together in the event of a ballot, then the pre-registration application should reflect this requirement. To prevent entrants with lower priority for the ballot artificially gaining priority status through combining entry together with entrants with higher ballot priority, where entries are coupled then the ballot priority will become that of the entrant with the lowest ballot priority status.

6.6 The ballot will be witnessed by an independent auditor nominated by the LDWA NEC who is not an entrant nor involved in the organisation of the event. The ballot will take place week commencing **3 DECEMBER 2018**.

6.7 Those successful in the ballot will be notified as soon as possible after the ballot. If payment has not been received by **28 DECEMBER 2018**, then, if there is a reserve list, the entry will be cancelled and the place offered to the first person on the reserve list.

6.8 If no ballot is required, the entrants will be invited to pay and **must** do so by the **28 DECEMBER 2018**. If payment is not received by this date, the entry will be cancelled and the place offered to the first person on the reserve list.

6.9 Notice of non-acceptance will be sent as soon as possible after week commencing **3 DECEMBER 2018**.

7 Cancellation And Withdrawal:

7.1 If the event is cancelled for any reason the organisers will do their best to contact entrants using the details provided on SiEntries. Entrants are reminded to add their mobile phone contact details as part of SiEntries process. The Organisers will put a notice on the event website and main LDWA website as a NEWSFLASH and entrants are

strongly recommended to check this before departure. Cancellation of the event will be at the discretion of the organisers and entry fees will be refunded less a proportional amount for unavoidable costs incurred.

7.2 If an entrant withdraws his/her entry on or before **31 MARCH 2019** the Organisers will refund the fee, less **£10** for administration. There will be no refund if an entrant withdraws after **31 MARCH 2019**.

11 Conduct Of The Event:

The LDWA recognises that it has a duty of care towards those participating in the 100 mile event and this is outlined in Section A below. However participants must appreciate they have also have a duty to conduct themselves in a reasonable fashion and to obey the Rules of the Event. These duties are outlined in Section B below. Ultimately individuals must take responsibility for their own actions.

Section A.

Organisers' Duty Of Care:

A1 The Event Organisers will undertake a suitable and sufficient risk assessment for the Event and keep it updated. They will also liaise with all relevant statutory authorities including the local Safety Advisory Groups, landowners and obtain all relevant permissions. The arrangements provided by the organisers in furtherance of its duty of care will include:

A2 The organisers will ensure the distance is as close to 100 miles as practicable and physically possible and the route description is as accurate as possible.

A3 The organisers will marshal any potential points on the route where the organiser and the local Safety Advisory Groups consider there to be risks. They will sign those risks as well as other places of potential risk that the organiser identifies. Furthermore, the organiser, having identified possible risks, will seek to mitigate them in a way that is appropriate, proportionate and reasonable, whilst recognising that not all risks can be totally mitigated.

A4 The organisers will have checkpoints under cover and inside halls as much as is reasonably practicable.

A5 The organisers will ensure there is sufficient quantity of high quality nutritious food.

A6 The organisers will implement a robust communications system consistent with the terrain and known difficulties of communication.

A7 The organisers will provide transport for entrants who retire in order to return them to Walk HQ.

A8 The organisers will provide First Aid at Walk HQ.

A9 The organisers will make provision for entrants to sleep at Walk HQ at the end of the event. However, entrants expecting to finish close to the 48 hours completion time should consider making alternative post event arrangements as event HQ may need to be vacated soon after official finish.

A10 The organisers will provide entrants with an emergency telephone number.

A11 The organisers will identify which checkpoints entrants' supporters are welcome to visit and which ones they are not. The organisers will identify the reasons as to why supporters are not welcome at certain checkpoints. This information will be provided on the event website. See Entrants Duty of Care B15 below.

Section B:

Entrants' Duty of Care:

B1 Entrants have a personal responsibility for their own fitness and well-being and undertake to enter the event based on the fact that they have prepared appropriately. Additionally all participants must carry the appropriate equipment for their own safety and protection.

B2 Two or more checkpoint marshals will have the authority to retire entrants who in their opinion are behind schedule or appear to be showing signs of distress going beyond normal fatigue. Entrants must obey directions given to them by marshals, and hand in their tally and retire from the event if so directed by a marshal.

B3 Retiring entrants should hand in their tally card at a checkpoint and wait for transport to be arranged to Queen Elizabeth High School. In an emergency, if retiring entrants cannot reach a checkpoint they should pass their tally to another person to hand in, or call the emergency telephone number. Under no circumstances should anyone retire from the event without ensuring the organisers are informed.

B4 Entrants must not be threatening, abusive or insulting to a marshal, other entrants and members of the public and understand that if reported, their behaviour might be subject of evaluation from a 'LDWA 100 Review Group'.

B5 Entrants must follow the route description provided including any late changes notified at the start or on route by marshals, and get their time recorded and tally punched at each checkpoint, including any self-clips.

B6 Entrants must pass through checkpoints in order. In the event that they deviate from the route they must get back on route by the shortest practical means without trespassing on private property. (Deliberate deviation from the route to gain advantage will result in disqualification.)

B7 Entrants understand that they shall not be allowed in a checkpoint other than during the official opening times of the checkpoint. These times will be displayed on the event web site and in the route description. Entrants understand that checkpoint opening and closing times will be strictly enforced. Entrants will be aware of the times when choosing a starting time.

B8 Entrants understand that if they arrive at a checkpoint after that checkpoint has closed then they will be retired. Under exceptional circumstances this may be waived at the discretion of the organisers.

B9 Entrants understand that checkpoint marshals will retire any entrant remaining at a checkpoint for more than 2 hours.

B10 Entrants must complete the event exclusively on foot unless directed by a marshal to do otherwise.

B11 Entrants must comply with the Countryside Code at all times and do nothing to bring the LDWA into disrepute.

B12 Entrants must be generally quiet at night, particularly near residential properties where noise could disturb.

B13 Entrants understand that the organisers reserve the right to vary the route for any reason such as adverse conditions or road closures, in which case entrants will be informed of the variations by marshals.

B14 Entrants understand that marshals shall be entitled to group entrants for reasons of safety, for example during adverse conditions.

B15 Entrants will be held accountable for the behaviour of their supporters in connection with the event, particularly at checkpoints and at Walk HQ. Entrants should therefore ensure that their supporters do not visit checkpoints that the organisers have identified are to be kept supporter free. Given the potential seriousness of any incident, those individuals behaving irresponsibly or even without due care and attention of their surroundings will be brought to the attention of the checkpoint manager who if involved will expect immediate cooperation and compliance with any reasonable request. If in the very unlikely case of anything not being resolved at once the incident will be reported to the 100 Review Group with the possibility of subsequent sanctions for any LDWA member involved.

B16 No dogs are permitted on the event.

12 Disqualification

12.1 Entrants in breach of the any of the rules of the event will be disqualified. They will be asked to surrender their tallies, and they will be transported back to the finish by official transport.

12.2 In all matters connected with the event the decision of the organisers is final. At checkpoints the decision of the marshals is final.

13 Reconnoitring The Event:

13.1 Accepted entrants who wish to reconnoitre the event should please note that the route may be subject to alteration and that some of the route crosses private land or land that has restrictions on access. Permission is required for organised groups to cross this land and such permission has been granted at the required times during the event only.

13.2 Any person who is identified as trespassing on land where access has been negotiated for the duration of the event only may be subject to disqualification.

13.3 Any person who is identified as marking the route will be disqualified.

14 Privacy, Data Protection And Personal Information:

14.1 Entrants understand and agree that their personal information submitted as part of their entry will be held by the event organisers for a period of up to three years after the event and is held for the purposes of managing this event only. Entrants further understand that photographs are likely to be taken on the event, which may be featured in Strider magazine or on LDWA websites. Additionally, entrants understand that Summary Information* may be published immediately and may be held in perpetuity for the purposes of providing a record of the event. Entrants have the right to contact the organisers and request that all of their personal Summary Information* is anonymised.

* Summary information is limited to the entrants name, age, gender, postal town, email address, LDWA membership number, event name and date, distance covered, time recorded as well as any other linked walking achievement.

14.2 For operational and safety reasons the organisers will need to store entrants personal information on a computer. This is a pre-condition of entry and by entering the participant agrees to this temporary storage. This information will be held by the teams helping to plan and marshals' managing the event, on a strictly need-to-know basis and will be erased after any report and results have been published.

14.3 Entrants should be aware that the LDWA maintains a Hundred Register (formerly the Hundred Database) held on the Association's secure server. The Hundred Register contains membership number, full name, gender, local group, year of birth (where declared on entry forms), number of Official LDWA Hundreds started and finished, and years and times. It does NOT include addresses (postal or e-mail), telephone numbers, any declared medical conditions or any emergency contact names, addresses or telephone numbers. Entrants who do not want their details to be stored on the Hundred Register should annotate their application accordingly. Note: The onus will be on these individuals to prove to future Hundred organisers that they might be eligible for awards such as 10/20/30/40 completion badge as the organisers will have no visibility of previous official LDWA Hundred completions.
