Many thanks to you and everyone for a lovely day, wonderful hospitality. I hope you got time when everyone had finished to go for a beer and a catch up with the last one's back!

See you soon.

Linda

I have a picture or two...

Those sandwich wraps were fantastic, I was puzzled though by the first checkpoint that had sandwiches wrapped up in the kitchen area but none outside ?

It's always great to have the beans on toast at the end, thank you.

I don't know if it's good or shameful to have the results, thanks anyway.

Regards,

Colin.

Thanks for the e-mail, Merrian. Great walk on Sunday, I will now attempt the other two parts of the triple in the next two years.

With the `Word' results file, I cannot open it as it says it's corrupt when I try. Is anyone else having this issue, or is it just me?

Thanks again

Mike P

Hi Merrian

I am one of the four runners who came from Northampton and did the 12 mile route. We all really enjoyed the event and will be back next year, probably with some more friends, and hopefully will be able to see the surroundings! Thank you for organising it and making us welcome.

Kind regards

Jocelyn Granger
