

Herts Hobble 2017

Report

We were fortunate that it was a cool(ish) 24C, overcast day making the going fairly pleasant(?) for the participants; considering it was in the low to mid 30C in the run-up to the event.

There were 176 participants scheduled to take part of which there were 23 no shows on the day (par for the course) leaving 152 starters of which 149 finished. As usual, there were a high proportion of runners (77), just over 50% which, again, seems to be the trend on the Hobble over the past few years, considering it is advertised as a walking event. All most welcome, though.

We used PACER 'on line' to control the event which provides a means of accounting for participants passing through checkpoints in real time back at HQ (Bramfield) and at forward checkpoints. Setting up was fairly easy; getting it working was another matter, resulting in many stressful days and nights mastering the hang of it. Thankfully it panned out OK on the day though the check-in was somewhat chaotic.

We were very pleased to have two young under 14's participants on the event, Katie Brazier and Miles Elliott, who both completed the course in very, very good times. Congratulations to both of you. It is very gratifying to see young people participate on these events and we hope to see both in future. We hope they might also encourage their friends to do the same.

A very big 'Thank You' for the many helpers without who's contribution these events would not run, namely, Jean and Bill Bowers, Carol and Harry Toze, Dennis Jacobs, Mick Dodge, Eddie Short, Ann Freeman, Sue and Dave Wingrove, John Mountain, Anita Stamp, Sandra and Keith Williams, Brian Martin, Richard Haynes and Nigel Schofield.
