- 29. **READ CAREFULLY** In around 100 yards and **15-20 PACES** after the **second** grate/drain on the R side of the rd TR thru 'invisible' gap in hedge; yes, there is a **very well hidden tall FPSP**. (Note bonus point available if you find this gap immediately!). Go ahd across fld on **rough bearing of 045**° (FP undefined)* to far side of fld, 30 yds to R of the (left) telegraph pole visible in fld (* if you go 120 yds along Ledge of trees, to small pile of twigs if still there there is possibly a small FP across fld on bearing 055°). Thru gap in trees, and cont with fence on L to emerge onto grass before main rd (A21). **GR 704 328**
- 30. With <u>GREAT Care</u>, X rd (use hatchings?) to gateway opposite. Over ST to R of driveway and ahd along grass / drive to corner. TL to X ST into fld. Descend on 325° keeping towards RHS, but making for first tree, then TR towards second tree. Thru RAG and ahd to X ST. Cross middle of fld to go over plank bridge and thru RAG. Ahd on (overgrown) FP, keeping to RHS to go thru RAG on R (just after going around tree). GR 704 334
- 31. TL in fld and TL to descend and X ST onto TK. TR and ahd <u>over</u> driveway, with high fence on L and, later, with pond on R. At fence cnr, BR and ahd over ST into wood. Keep on main FP passing occasional WMs. Cross plank bridge and up incline. Ahd, passing barrier on R and soon fllw path bending R. Ahd, TL with fence on main path, gently rising. At top of slope (BBQ / tables on L, fld visible beyond), TR, still on main path.
- 32. At next jcn (with large gate and fld 40 yds ahd), **TR** along FP. In 200 yds, at muddy patch, TL up incline. BR over bank and then over ST. TR and keep on R edge of fld. Pass fallen tree, over ST and ahd still on R, to reach ST after house. Over ST and TL

up TK to reach rd. With Care, X rd and ahd up FP, keeping R of fence, to go around houses and then across Close. Ahd btw fences to reach rd thru Kilndown.

GR 699 351

- 33. TR on rd and downhill, passing church. At rd jcn, **keep ahd** for 700 yds, to cnr, where leave rd to keep ahd on FP (Hillside Cottage on R). Descend gradually on WC40, ignoring FP to L. At jcn with TK, keep ahd on grass FP to X ST by gate. In 5 yds, ignore (or not!) redundant ST and ahd 040° on faint FP across middle of fld, keeping to R of lone trees, to X ST in far cnr. **GR 705 365**
- 34. **TR** then, after 10 yds, swing L on tarmac rd and in 550 yds over brick walled bridge, past new concrete TK on L and, 20 yds before next brick walled bridge, TR to X ST by gate (WC41). Ahd along LHS fld, stream on L. Just before far end, TL thru gate and immed TR up house drive to go thru small gate to reach minor rd. With Care, TL up rd. At X-rd, bash on up Ranters Lane (choose own rant!).
- 35. In 360 yds, and <u>immed</u> after passing first driveway on R (Thatchers Hall), TR on narrow FP btw tall hedges. **GR 715 372** X ST and ahd up FP with electric fence on L. Over ST and cont up RHS next fld. In cnr, X ST and up enclosed FP to minor rd. X, up bank, TL on pavement, swinging R at main rd (A262). **GR 718 374**. In 30 yds **TR** at low FP WMK and **in 14 yds TL** immed after high fence (on L), on FP up LHS garden, ahd thru gate and ahd. Thru next gate, soon high fence on R. At end, thru gate and ahd on tarmac rd to main rd, Balcombes Hill. TL thru car park and in 100 yds TsharpL to finish / Village Hall **GR 722 376**26.2 MILES

- 36. From Checkpoint 2, return to rd and TL downhill (westwards). At rd jcn, TL and cont ahd on rd, passing Great Nineveh Farm Only drive, Little Nineveh, Forest Farm Cat Hotel and Netter's Hall Farm. Opp Netter's Hall itself, **GR 776 331** (just as rd dips again) TR (FPSP) and thru gate to go up grass FP. After 100 yds, TL up steps, X ST and ahd across fld on 360° to end of tree line. Enter tree line and ahd, fllw faint FP and later **BR** uphill to find ST into fld ahd.
- 37. Over ST and keep to RHS fld, thru gateway and ahd, still RHS, passing reeds and green pond on R. Ahd thru gap and over next fld, to X wobbly ST (50 yds L of top cnr) into fld ahd. Now on LHS, cont in same direction, passing large "downhill fld gap" and ahd. At Xing FP, TL thru obvious gap in hedge, but **immed** TR along RH edge of hedge. At end BR to find and X ST. **GR 778 343**
- 38. (In theory, BL 360 towards L of white property ahd, but best to) **TL** round L edge of fld, pass lines of apple trees and TR down fld edge. After passing ends of 4th and then 3rd lines of apple tree, in 30 yds TL over ST by large tree. TR down RHS fld and fllw L at cnr to find small gap in hedge (50 yds from cnr). **GR 778 345**

39. With Care, X rd and down steps opp (FP) to emerge and stay on RHS very large fld. After 220 yds, at cnr with unmarked post, cont and across fld, going slightly uphill (320°), on (obvious) FP thru crop. Reach large tree and and on L of line of trees, down to just visible post. Down thru gap and LHS fld, then and on TK, becoming gravelled. Fllw uphill, R then L, and and to cnr, where TL on FP into woods. Join 15 milers join here. GR 774 356 Jump to paragraph 41

15 mile only

40. X rd at HWLT sign but do NOT go on FP. Cont ahd by rd, on verge, becoming gravel, and eventually tarmac pavement. Pass pond on L and uphill. With Care, X Tilsden Lane and then Dorothy Avenue, and ahd to TL into Frythe Way (just beyond telephone box opp). In 250 yds, TR into Brickenden Rd and immed BL on FP (FPSP) between hedges. Fllw this litter strewn FP (sorry!) until end. X over rd and ahd on shady TK opp for 130 yds. At cnr ahd on FP into woods (20 milers join). GR 774 356

15 & 20 milers to end – you will join the 26 milers for the last 0.8 miles

41. Thru KG and along RHS fld. After 200 yds, descend to go thru KG. BL down slope on FP (soon slightly overgrown). At FP jcn, keep ahd and in 15 yds TR on FP up thru trees. Fllw obvious FP to fld and WM post, where TL. Ahd thru KG, X fld (best not to dawdle here – Bull!), thru next KG and TR on grassy TK to end. With Care, X rd to New Rd (HWLT) and ahead on this minor / unmade rd. With Great Care X next major rd (A229) and
