Dear *First Name*,

Good evening

For those of you travelling to the event by car from the west and south of London .....

Please be aware that, because of major road works, the M20 will *potentially* be mega slow, both before and after Ashford - so, perhaps, best to go M25, M26, join the M20 to go past Maidstone, but then TL up Detling Hill towards Sittingbourne (using the A249), then TR on the M2, continue onto the A2 (signposted Dover), passing by Canterbury, and on almost into Dover. Whilst we cannot guarantee anything, we feel that this will *probably* be the quickest route.

This is the route I will be using from Oxted, in south east Surrey - so please give me a wave if you see me!

And the same goes for the evening (albeit in reverse, of course) .....
