## **Capital Challenge 2018**

The day before the event the Ranger at Lee Valley WaterWorks Nature Reserve, the location of Nature's Throne and CheckPoint 4, told us "I've sorted the weather, cloudy but warm and dry, ideal walking weather." And indeed he had: the warmest day of the year but not too warm so both walkers and marshals stayed dry and happy.

On Saturday morning we were expecting 200 people; in fact 190 turned up and were joined by 2 out-of-town marshals who had been unable to join the marshals' walks so after helping at the BFI continued to the Finish. Previously 11 marshals had walked the route (in two batches as some were put off by the extremely cold weather on the first).

Our impression is that many people returned for a second year and brought along others who they had told about the lovely route we have created. A selection of photos is included; thank you to all those who posted on Facebook or sent them in.

We were delighted that entrants came from across England and Wales to see that London is a wonderfully green city and reassured when a Devon LDWA member wrote "I had no idea London had so many green spaces, well worth the journey". 165 LDWA members entered with many making long journeys to the capital; a full breakdown is at the end of the report.

181 entrants (plus the 2 marshals!) finished and their feedback has been unanimously positive: many arrived at the View Tube delighted with their day and extremely appreciative of the marshals and the Route description. Such a reaction is music to the ears of the organisers and marshals and makes the effort worthwhile.

The Capital Challenge is not a race – I describe it in contrast to most LDWA Challenge Walks as a beer & ice-cream event – but mention should be made of Daniel Nash, at 26 one of the youngest participants and the fastest walker (the 4 who were quicker certainly jogged quickly some of the way) who completed in 6h24m and of Chris Lloyd, at 80 the oldest but by no means the slowest finisher.

A table of results is attached; they can also be viewed at <a href="https://www.ldwa.org.uk/results/full\_results.php?event\_id=148">https://www.ldwa.org.uk/results/full\_results.php?event\_id=148</a>
