

30th Poppyline Marathon, 8th June 2014, Results

For the 30th Poppyline there was a new 30 mile route and a new venue. It was also Vinnie Purdy's 100 marathon, and the Norfolk beach runners were out in force to support him, I'm not sure it was quite the event the local press were expecting!

Apologies for the late results, a lack of 'round tuits'. David Laight.
