

# Results: 20<sup>th</sup> Flower of Suffolk, 6<sup>th</sup> October 2013

Apologies for the late arrival of the results...

I can't remember what happened on the day except that it didn't rain (unlike the Sundays either side).

A general thanks to all the marshals (etc).

As has been noted elsewhere there won't be a Winter Poppyline in 2014, but to celebrate the 30<sup>th</sup> Poppyline there will be a 30 mile option. Most likely from a new venue in Sheringham.
