

# 28<sup>th</sup> Poppyline Marathon, 10<sup>th</sup> June 2012, Results

An unusually dry day (for summer 2012) for what was almost certainly the last challenge walk from the Sheringham community center - it is (finally) being demolished to build a Tesco. Next year's walk may be from the replacement hall being built on the road up to the A148, but may be from somewhere else entirely!

Thanks to everyone involved, I'm sure to have missed someone out!

David Laight, 14<sup>th</sup> July 2012
