

24th Flower of Suffolk Walk—7th October 2018

Thanks to everyone who took part and helped with our Flower of Suffolk challenge walk, we were fortunate with the weather and really delighted at the feedback that we have received. Thanks to the marshals for their help at the checkpoints, and to Chelle for putting this event together so well. And big thanks to Peter Edwards, who surpassed himself with the acquisition of supplies for the registration desk. Hope to see everyone at the Winter Poppyline on Saturday 16 February 2019. Thanks again to all, Julian.

There will be four events held next year, which are the Winter Poppyline, the Daffodil Dawdle, the Wolsey Waddle (a new event) and the Flower of Suffolk.

For anyone who completes all three of our annual walks there is the Tri-Anglian certificate and badge, but we will make sure that we do something for those heroes who do all four of our challenge walks in 2019!

We had some lost property, a water bottle, some oddments of clothing and also an LDWA membership card.

A special congratulations to everyone who completed their first challenge walk, we hope that you all enjoyed your virgin challenge experience and are ready to repeat the sheer enjoyment of the whole thing again.

Thanks also to everyone for their donations for badges. We raised £77.10 and this is going to the Children in Need appeal.
