

Winter Poppyline, 18th/19th February 2012, Results

What a difference a year makes! No rain, no mud, if anything hard under foot! 128 hardy souls ventured out into the wilds of North Norfolk. 8 walkers retired, my guess is that one runner wasn't carrying a torch! In spite of the better weather the fastest runners were much slower than the fastest time last year (7h32!).

The qualifiers for the Essex/Herts Triple Challenge are the 2010 Herts Stroller, the 2011 Shotley and this Winter Poppyline (all three walks within 2 years). Register with E&H, or I'll still have the paperwork at the Daffodil. I'll also have a few Winter Poppyline badges and tee shirts (but no Daffodil ones).
