**Thank you so much, all walk leaders. We would not have our programme without you.**

# The unsung Heroes

Thanks also to all that marshalled, organised, helped and contributed behind the scenes to make our walks programme, and in particular the Kanter, The Moorland Challenge, and the 40<sup>th</sup> Birthday walk, a success

4 special mentions: Penny Baldwin, Caroline Wandless and Sue Reid not only for the countless hours of effort they have put in both actually supporting our events, but preparing and planning that support too. And to Caroline Roy who allowed me to inherit the walks programme she built, and left me a detailed handover to make my job much easier.

# Looking ahead to 2013

- Busiest Programme ever (Possibly 35 walks)
- The Rock and Rowel
- More new Walk Leaders
- Not an ordinary programme
  - 2 challenge walks
  - Night walk
  - Yorkshire Lakes series
  - Pennine Bridleway Series
  - Sunday Samplers to try and broaden our appeal
- A year of great promise!
