Dear Chris

Thank you very much for your donation of **£160.00**. The donation was split in three. With fifty pounds going toward the cost of the medical indemnity insurance we have to have in place to cover the team at events such as the Durham Dales Challenge.

A further fifty pounds has gone into our vehicle replacement fund. We currently have two vehicles both of which are eleven years old so we will need to look to the replacement in the not to distant future, we are also currently completed the funding of a third vehicle for the team which we hope will arrive before the winter and will enhance the service the team can provide.

The finally sixty pounds will be used to keep our medical equipment up to date, every year we have to replace items which have reached the end of their 'use by' date as well as replacing items which have been used in providing treatment. In two recent incidents we have dealt with we have had to use a 'Sam' splint, a neck collar, strong pain killing drugs and ancillary kit, with both patients going to hospital, we have had to replace all these items and your donation will be used towards this.

All our income has to be raised through the generosity of people such as yourselves. So can I thank you and your members again for the donation they have given the Team.

Yours sincerely

Jim Thompson (Mr) Treasurer
