REPORT

After a wet and windy Saturday night both walkers and helpers were delighted to wake to a dry and at times bright Sunday. . Despite the recent downpours under-foot conditions were good and 'regulars' appreciated the return to Henley Fort our preferred venue. There was one permanent route change this year, brought about by the opening of the new A3 which left an impossible 6 lane crossing on our old route at Sutton Place. Fortunately in an area lacking in footpaths, the construction of a new road over the A3 at Burpham enabled a stretch of canal and the new road to be used. This adds a good half mile to the route making it a full 22 miles. Despite the proximity to Guildford, several paths, including a section of the North Downs Way become overgrown between events and you may have noticed that some pruning had taken place.

As usual the walk attracted a number of family entrants as a glance through the results will show and I hope that their example may encourage more walkers to bring the family to some of our less demanding events.

As always thanks are due to all the marshalls -mainly members of LDWA Surrey Group - who manned the checkpoints and helped at the start and finish- and special thanks to John Westcott who organised the marshalling and to Joyce and Carol Henley in charge of teas at the end.

Barbara Blatchford for Surrey Group LDWA

GUILDFORD BOUNDARY WALK 1982 will be on September 19th

SURREY INNS KANTER Jan 1st. 1982. 12/20 miles route finding event. 9.15-11am at St. Catherines Village Hall, Chestnut Avenue, Guildford Grid ref 992 485. Enter on day only, bring compass, pencil and OS 1:50,000 shts 186 and 187
