

The early morning mist and steady drizzle which set in during the afternoon did little to deter the Boundary Way walkers with all but 19 of the starters completing the circuit. The runners probably had the best of the weather, starting after the early damp and arriving back before the rain started, but unfortunately no-one was able to enjoy the extensive views from the St. Martha's and Chantries area.

There had been little advance publicity for the event but despite this there was a record number of on-the-day entries - due, at least in part, to a feature in the Surrey Advertiser published 2 days before the walk. Surrey Group were pleased to see a good proportion of "first timers" on the event and we hope it may have encouraged you to try some of our other weekend entertainments.

The Boundary Way was designed to provide a realistic challenge for all the family and not as a route march for the super fit so there are a comparatively large number of checkpoints to be manned. Our thanks as always go to the marshals listed below and to the other members of Surrey Group who did odd jobs before and after taking part:-

Chief marshal	John Westcott
A31 crossing	Ralph Henley, Dave Street, Jim Dunster
CP 1	Dan Hadfield, Roy Barnsley, Sandra Houghton (from Feltham Puffers)
CP 2	Dave Challenger, Richard Ireson
CP 3	Cynthia & Ian McLeod, Jim Dunster
CP 4	Roy Barnsley, Bruce Chandler
CP 5	Richard Ireson, Dave Challenger
Start and/or Finish	Bruce Chandler, Peter short, Kate and Valerie Challenger, Eirene Alden
Catering	Erica Blatchford

Certificate Design - new certificate drawn by Tony Youngs
 Surrey Group hope you enjoyed the Boundary Walk and look forward to seeing you on future events

BADGES Following many requests for badges after the old stock had been sold we have decided to reorder now rather than wait until next year. To order a badge send 40p (payable to LDWA Surrey Group) and a sae to Barbara Blatchford, 11, Thorn Bank, Guildford, GU2 5PL. They will be sent off as soon as they are received from the manufacturers. Badges will also be sold at future events.

FORTHCOMING ATTRACTIONS
