At last the 1983 Guildford Boundary Walk results with apologies for the delay and a slightly wonky typewriter. My thanks to John Westcott who was chief marshal and to all the members of Surrey Group of the LDWA who helped at check points and at Henley Fort. Special thanks to Keith Chesterton for use of his tent for the start - needed as the result of the area Education Office double-booking the Fort. The 1984 event will be on Sunday September 16th - see you then
Barbara Blatchford.
