and one who did not complete the course.

Report. Modernisation of the Win Hall, our usual starting point, required a switch to the clubhouse of the George V playing fields. The new venue added a few hundred yards to the routes but nobody minded because the facilities were very good, not least the bar for those who finished early. (Jim please note). Special congratulations to Joanna McGavin, just six years old. Well done! The weather was perfect; no rain, a warm bright day which enabled all to enjoy this picturesque corner of Surrey just as the countryside colors began to change with the onset of autumn.

Many thanks for the support of all who came along on the day and also to my daughter, Fiona, who took the entries, recorded the walkers in and out, and also produced the certificates. I made the tea.
