

INSTRUCTIONS FOR MID-SURREY INNS KANTER - LONG COURSE

1. Course is approximately 18 miles long by footpaths - try to use them.
2. There are 15 checkpoints, of which 13 are pubs - no checkpoint is manned.
3. You must return to the start at West Horsley Village Hall by 4.00 pm - if running late, please cut it short. If in difficulty, phone East Horsley 5385, the kiosk outside the hall.
4. At all pub checkpoints (except Ranmore Arms) note on your card, the second initial of the landlord's name, or his surname, if only one initial. This is painted above the outside of the pub door!
