

LONG DISTANCE WALKERS ASSOCIATION

THE KETTLEBURY KANTER held on Sunday Feb. 10th 74

If the attendance at this, the first in series of "Kanters" is anything to judge by, then the event proved to be a success. There were over forty people tackling the shorter course and nearly eighty on the longer. Only about 50- 70 folk had been expected and with the weather as it was the turnout succeeded all expectations.

Our apologies go to those people who missed out on the refreshment at about halfway. This will be put right at the next event. It is hoped to hold the next "Kanter" during the summer in the Alton area. Details will be published in the LDWA newsletter and the Orienteer.

Thanking you all for your support.

Alan Blatchford & Jeff Ellingham
