

Punchbowl Marathon 2000 - Results

The weather was overcast, later becoming drizzly and wet. Fortunately, the paths had dried out a bit since the marshals' walk - yes they had!! The route had some VG views, but people will have to wait till 2001 to see them. The new course was appreciated by the walkers, as offering a greater challenge than the last route - certainly times were slower. Even Chris Fanning took 20 minutes more than last year! Because of the extra difficulties, we kept the finish open longer than normal and gave certificates accordingly.

211 (199 in '99) entered the event (63 on the day), 15 failed to start and 13 did not finish either route, giving 183 finishers, 154 doing 30 miles and 29 doing 25 miles. I decided to have a 25 mile route only during the 1st Marshals' walk, when I saw how long 30 miles might take - altho' I had it in mind for the LDWA Millennium challenges, which fell through when not enough Groups participated. However, it is a good route, if wet in parts, and I will keep it for next year - and advertise it!

Most appeared to find the route description accurate (the 30 mile course was walked /checked 4 times), but a few found problems. **If you were one, please let me know where you had these.** The one problem I heard about was a path in Grayswood, where the 2 landowners complained 200 walkers made the path too muddy for locals to use. I have always found it muddy, but will avoid it next year. **Please do not rush past others on narrow paths like this as it can make some extra damage.** We held 2 marshals' walks in very muddy conditions. 8 did the 30 mile walk - William Brown in 7 hrs 25 mins, Ashley Saunders & Jon Moore in 9-42, Ann Sayer in 10-55, Janet Chapman, John Lay, Dawn Bishop & Alison Newman in 11-17. Elizabeth Bryan & I (Keith Chesterton) did the 25 mile route (trying it for the 1st time) in 9-33.

I would once again like to thank the marshals, who made it all run smoothly - altho' the hired toaster put all the hall electrics down &, when we'd worked out the cause, new toasters had to be got. Dave and Pat Challenger, Gillian & Peter Bull & Derek Bowdell looked after Dunsfold; John Lay, Les Maple, John Westcott, Roy & Olive Barnsley did Grayswood; Brian Haigh, John Hornsey, Caroline & Ashley Saunders did Elstead. Ann Sayer did a solitary stretch on Gibbett Hill, as a checker and provider of guides for the 25 mile option.

At Witley, Lesley Nightingale and Don Turner did the entries and logged in the finishers, putting in a very long day. Ann Sayer also did entries & Jeff Ellingham & John Westcott also helped at the start. The kitchen was looked after by Derek Bowdell, William Brown, Peter Edwards, Mike Mardle, Janet Chapman, Elizabeth Bryan & Jon Moore. Jeff Ellingham booked the hall and helped at the start and finish. Reg Chapman provided much of the equipment, closed the checkpoints and helped throughout. Ann Sayer was entry secretary, helped at the start and finish, besides doing Gibbet Hill and also checked half the route. The other half was checked by Brian Haigh. And after the event, Harry Wickens produced the comprehensive results. My grateful thanks to you all. My apologies to anyone I've missed.

I would also like to thank the committees for the Chichester hall at Witley, the sports pavilion at Dunsfold and the village halls at Grayswood and Elstead for the use of these and for their help.

Thanks for entering, I hope you all enjoyed it and see you next year. A happy year's walking!
