

LONG DISTANCE WALKERS ASSOCIATION

aim : to further the interests of those who enjoy long distance walking

SURREY GROUP

REPORT & RESULTS OF THE PUNCHBOWL MARATHON 20 & 30 MILE ROUTES - SUNDAY 6.2.1983

15% of the 461 entries may have been put off by the heavy rain at dawn over most of Surrey, but the 392 starters had a day of improving weather. All that can be said of the mud though, was that it became less deep. 170 actually completed the 30 mile route & the experiment of offering Baked jacket potatoes & Apples seemed to go down well. 39 completed the 24 mile alternative; 158 the 20; & 3 the 26 miler.

An Event of this size requires help from a lot of people on the day, & as usual working on the paperwork, at the Checkpoints & in the Kitchen is less enjoyable than walking. Thankfully many of the fitter Surrey Group members & Feltham Puffers started early & worked hard in the kitchen when they had finished. To those who had to work right through from 7am to 8pm without the benefit of a walk as well, I am even more grateful.

The Mountain of paperwork on the day covering Registration, at the start & Finish . . plus the Certificates & Results was ably taken care of by Mrs L. Nightingale, Miss R.J. Buckmaster & Messrs G. Weston, I Trevitt & J. Silvester.

My wife Marion manned the emergency telephone, & my mother took charge of the Kitchen for me, after Mervyn Harvey had washed & cooked the jacket potatoes before leaving to set up Checkpoint 2.

Checkpoint One was looked after by Tom Anderson & Dave Green.

Checkpoint Two was in the hands of Margaret Steer, Joyce Henley, Mervyn Har^{vey}, Arthur Radley & Dave Green.

All the above Checkpointers spent much time in the Kitchen. Once they had showered the following worked in the Kitchen until 7.30pm: - Peter Short, Dave & Pauline Shore, Ken Saunders, Paul & Sandra Houghton, John Robinson, Terry Kemp, Ralph & Joyce Henley. Graham Peddie got in some training for this years Triathalons by clearing tables before cycling home!

Most of the Marshalls on this Event and on our Surrey Summits 100 Kilometre event on April 9th/10th would far prefer to walk, so if you have any family or friends who are not so energetic but would like to make new friends, PLEASE bring them along.

In the mean time there are plenty of other organised Events, almost every weekend, from 12 miles to 140, all over the country. - Some of these are shown on Page 5. Each LDWA group also organises it's own sociable walks & evenings. Those wishing to join the LDWA, & receive the National 70 page Journal - STRIDER - thrice yearly, should apply to Ernie Bishop, 4 Mayfield Road, Tunbridge Wells, Kent TN4 8ES. (£2.75 per annum).

Finally I hope that everyone enjoyed a good day out. If anyone had any particular problems in route finding, & still finds certain instructions too vague, I would appreciate a letter detailing the offending sentence(s) so that they can be improved for next year.

As usual The Punchbowl Marathon will be held on the 1st Sunday in Feb in 1984, & hopefully there will be cloth badges on sale by then as well.

Jeff Ellingham, Farthings, Wheeler Lane, Witley, Godalming, Surrey. GU8 5QU.
