

Punchbowl Marathon 1999 - Results

The weather was a sunny and cold day (again), and dry after the mud of the 1st 10 miles. One local claims that the path from Blackdown to Fernhurst is the wettest in Sussex. I'm not sure about that, but it is wet!

199 (205 in '98) entered the event (50 on the day), 25 failed to start and 9 did not finish, giving 165 finishers, all bar two inside the official 10 hours. One would-be entrant thought runners were not allowed, but this is quite untrue, as those passed by them know! All are welcome, runners, walkers, LDWA members or not. My apologies to some LDWA entrants on the day for a discrepancy between the entry fees given in Strider and on the entry form - it was intended to be £5 for all on the day - **Please enter beforehand, if you can - it makes organisation easier.**

This year people from the 8am, 9am and 10 am starts finished within 10 minutes of each other. Richard Speer, Kathy Reed & Keith Robbins (9am) at 2.17pm, Chris Fanning (8am) at 2.24pm, and Chris Sanders, Ken de Carlo, David Keefe, David Steel, John Hawkins, Steve Fisher, & Neil Fennel (8am) also at 2.24pm! Well judged, everybody.

The food was as last year, including chips at the end - altho' lack of cooking trays meant these were too late for some. We did have 1 complaint, that there were only sandwiches and no hot drinks at the Hindhead tent checkpoint. This was done for ease of preparation in the open - and there was the café right beside it.

I would once again like to thank the marshals, who made it all run smoothly. Dave and Pat Challenger, Brian Haigh, Joan Wrenn & Derek Bowdell looked after Fernhurst; John Lay, Les Maple, John Westcott, Jim Dunster & Ian McLeod did the open air - and cold - Hindhead stop; Sue Boyman, Cyril Watmoor, Caroline Saunders, Barry Harrison & Ray Jolly, making a welcome return after his operations, did Tilford.

At Witley, Lesley Nightingale and Don Turner did the entries and logged in the finishers, putting in a very long day. Don also made some splendid Leek soup from his homegrown leeks. Peter Short helped on the carparking. The kitchen was looked after by Derek Bowdell and Tony Youngs, Colin Wood, Molly Groundsell, Peter Edwards, Brian Haigh, Joan Wrenn and John Robinson, after he'd done the event. Jeff Ellingham booked the hall and helped at the start and finish. Reg Chapman provided much of the equipment, closed the checkpoints and helped throughout. Ann Sayer took the entries and kept me up the mark generally. And after the event, Harry Wickens produced the comprehensive results. John Robinson also sold rescued gaiters and children's tops very cheaply! My grateful thanks to you all. My apologies to anyone I've missed.

I would also like to thank the committees for the Chichester hall at Witley, the sports pavilion at Fernhurst and the village hall at Witley for the use of these and for their help.

This year the marshals' walk did not take place as Peter Beck from Swansea who was going to do it with me had his car wrecked by a lorry whilst driving to the walk - our commiserations.

Thanks for entering, I hope you all enjoyed it and see you next year. A happy year's walking!

Lost - Running shoes, New Balance, size 42. Please check to see if you have them.

Found - pair shoes, rain jacket, 2 caps, glove, pair gaiters, pair shorts, pair gloves, compass
Again, please see if you are missing any - they are filling up my house!
