

LDWA SURREY GROUP
46th Surrey Inns Kanter
Epsom Downs
1/1/2020
REPORT AND RESULTS

The 46th edition of the Kanter was held in the Epsom Downs area for the first time. There were 64 entries in all, down on 2019, of which 51 were members, all but 2 completed their respective routes.

The venue of St Mark's Church Hall, Tattenham Corner was new to LDWA, it had previously been a church.

The weather on the day was mild, dry and still with a little sunshine, and the conditions underfoot were drier than expected, most walkers and runners managed the route in good time.

The event included a visit to the new woodland managed by the Woodland Trust in Langley Vale to commemorate the soldiers fallen in World War I, and passed a number of Coal Tax Posts, especially on the short route, which had featured in two previous Surrey Group Kanters based on Walton-on-the-Hill in the early 1980s. The posts, now over 150 years old, are listed monuments and amazingly nearly all still survive, they indicate the boundary at which duty was payable.

The oldest pubs visited appear to be The Running Horses on the long route and the Sportsman on the short route, both of which are 16th century.

There was a short quiz based on the number of pubs with horse racing connections in the name, there were 4 on the long route and 3 on the short route, apart from the 2 next to the racecourse the others were The Running Horses in Mickleham which was named after a run-off following a dead heat in 1828, and The Blue Ball in Walton-on-the-Hill which is named after the centre of a racing winning post.

The souvenir beer mat this year was based on a Derby horse complete with jockey.
