

KSS Triple Challenge

The KSS Triple Challenge is formed of three events which alternate over a three year cycle. These are the White Cliffs Challenge from Kent, the Surrey Tops and the Sussex Stride. In order to complete the Triple Challenge entrants must successfully finish all three events in consecutive years in the time allowed. The time limit for Sussex and Surrey is 20 hours, and for Kent, 22 hours.

Entrants completing six events in consecutive years will gain a silver badge and certificate. Nine consecutive events will earn a gold certificate and medal. Twelve consecutive events gain a platinum certificate and paperweight.

Completions are recorded and awards posted after the event.
