31st Winter Tanners, 13th January 2008

Congratulations to all those who completed the 31st Winter Tanners. Whilst the weather on the day was unexpectedly dry – if a bit blustery – the recent rain ensured that the going was soft underfoot, to say the least. As walkers and runners returned to the car park in Leatherhead, it was clear that memories of the mud encountered on the routes would stay with them for some time! Due to the time of year and the minimal support, the Winter Tanners is never easy event, but the conditions meant that even hardened walkers and runners found WT08 a particularly tough outing.

The rain also resulted in a sleepless night for Dave Challenger, who, in the wee small hours of Sunday morning, realised that the River Mole would probably be over its banks on the riverside path, where it goes under the A246. Before arriving at the start to clock you out, Dave managed to produce a route amendment for the outward and return routes to detour around this hazard. I'm told, by those who chanced the original route, that the water was mid-shin height in the morning, although it had dropped considerably by the return leg.

In spite of the weather forecast (which may have contributed to the higher than usual number of 'no shows') and the conditions, 189 entrants completed their chosen distance. The stats line up as follows:

	20 mile	30 mile	Total
Entries in advance	68	72	140
Entries OTD	58	27	85
Total entries	126	99	225
Starters	111	81	192
Retirements	3	0	3
Change of distance	+4	-4	
Finishers	112	77	189

The results are attached in alphabetical and time order, and your certificate is enclosed. As usual there is a wide spread in the times for each route, and I know some of you embellished the published route with your own variations which added a little extra time. There were a number of dogs who took part, getting a slightly longer walk than usual – well done to Parsley and Ben, in particular, who completed the 30 mile route.

The route, as in previous years, was devised by John Westcott, who also wrote the route description. John produces a new route each year which is used for the Winter Tanners and the Tanners Marathon (see below). An archive of previous year's Tanners routes is available on the LDWA Surrey Group's web site (www.ldwasurrey.co.uk).

Despite being a low-key event with minimal support, the Winter Tanners could not have taken place without the considerable efforts of the following, to whom thanks are due:

- John Westcott, for devising the route, writing the route description, and closing down the checkpoints on the day.
- Dave Challenger, Tony Cartwright and Ian McLeod for checking the route.
- Dave and Pat Challenger, and John Lay at Checkpoint 1 (Friday Street).
- George Evans, Jacky Griffin, Reg Chapman and Colin Saunders at Checkpoint 2 (South Holmwood).

- Paul Lawrence, Peter Russell (& Holly), Dave Williams, and Peter and Betty Waterhouse at Checkpoint 3 (Ranmore Common).

Thanks also to:

- The National Trust for the use of their car parks at South Holmwood and Ranmore Common. Donations by entrants totalling £129.50 will be passed on to the NT.
- The Wotton Estate for the use of the Mundies Car Park at Friday Street. A donation has been made to the Wotton PCC for the benefit of Wotton Parish Church, which you passed on your way to CP1.

The **Tanners Marathon**, following the same routes as the Winter Tanners, (with an additional 10 mile Family walk route), will take place on Sunday 6th July 2008, starting from Leatherhead Football Club (near the Leisure Centre). For those who are navigationally-challenged, the route for the Tanners Marathon is partially way-marked.

Before that, the Surrey Group will be holding

- **The Punchbowl Marathon**, Sunday 10th February (20 or 30 miles)
- **The Surrey Tops**, Saturday 29th March (50 miles)

Both from the Chichester Hall, Witley, nr Godalming. The Surrey Tops will be one of the last opportunities to secure your qualifier for the **Yoredale 100**.

Details and entry forms at www.ldwasurrey.co.uk

The London Group's **Founders' Challenge** will take place on Sunday 19th October, from the Memorial Hall, Peaslake.

Details of this event and many others are available on the LDWA web site at www.ldwa.org.uk
