32nd Winter Tanners, 11th January 2009

Thank you for participating in the 32nd Winter Tanners.

Given how grim the weather was on the Saturday, we were very fortunate indeed to have marginally milder temperatures, and even some sunshine. After such a prolonged cold spell the ground was firm and the overnight frost meant that it was a little slippery in places. Unfortunately that resulted in some minor (I hope) injuries causing a few to have to retire early on. The snow that was still lying on the higher parts of the course made for some stunning photos – available in the picture gallery on the Surrey Group's website (www.ldwasurrey.co.uk).

Those who did the event in 2008 will recall that we had to divert the route on the way out of Leatherhead to avoid some flooding at the A245 underpass. Not to be caught out again, we anticipated similar conditions, and then decided that for a change we would use our diversion as the main route out and back.

This year's route out to Headley Heath, and on to Epsom Downs for the 30ml route has been highly praised. It is a route last used in 1981, when it was possible to cross the A24 without any difficulty. Now, it's a busy dual-carriageway with only limited opportunities to cross safely and so we were forced to use the Burford Bridge underpass on the outward and return routes. Whilst the route description is tested before we let you loose with it, I had consistent feedback of some difficulties: on the 20ml route on the approach to High Ashurst; and on the 30ml route going out over Box Hill. We will look at these sections again before the route description is passed on for use on the Tanners Marathon in the summer.

Entries for this year were up on 2008, which saw a total of 189 finishers (112 on the 20ml route and 77 on the 30ml). The stats for 2009 line up as follows:

	20 mile	30 mile	Total
Entries in advance	104	126	230
Entries OTD	66	46	112
Total Entries	170	172	342
-DNS	-23	-19	-42
Starters	147	153	300
Change of distance	-2+5	+2-5	
Retirements	-6	-5	-11
Finishers	144	145	289

The results are presented in time order. As usual there is a wide spread in the times for each route. This being the LDWA, there are no winners; but there were some impressively fast times recorded. Also, this being the LDWA, we like to celebrate the achievement of meeting the challenge set, so congratulations to the group of walkers who completed their first 30ml challenge event, in the dark, a little after 7pm.

This year I asked entrants to indicate if they are a walker or runner – I'm not sure what conclusions can be drawn from the results: perhaps, that it's a state of mind rather than being all about speed?

The route, as in previous years, was devised by John Westcott, who also wrote the route description. John produces a new route each year which is used for the Winter Tanners

and the Tanners Marathon (see below). An archive of previous Tanners routes is available on the LDWA Surrey Group's web site (www.ldwasurrey.co.uk).

Despite being a low-key event with minimal support, the Winter Tanners could not have taken place without the considerable efforts of the following, to whom thanks are due:

- John Westcott, for devising the route and writing the route description.
- Dave Challenger for checking the route.
- Andy Fogell was taking entries on the day in the car park at Leatherhead.
- Dave Challenger and then John Lay were checking you out of the car park.
- Dave and Pat Challenger, John Lay and Elizabeth Bryan were at Checkpoint 1 (Headley Heath).
- George Evans, Jacky Griffin, Colin Saunders, John Dixon and Nigel Barraclough were at Checkpoint 2 (Tattenham Corner).
- Peter Russell (& Holly), Dave Williams, Andy Fogell and Peter and Betty Waterhouse were at Checkpoint 3 (Ranmore Common).
- Paul Lawrence closed down the checkpoints.

Thanks also to:

- The National Trust for the use of their car parks at Headley Heath and Ranmore Common. Donations by entrants totalling £149 will be passed on to the NT.
- The Conservators of Epsom & Waltons Downs for the use of the Tattenham Corner car park.

The **Tanners Marathon**, following the same routes as the Winter Tanners, (with an additional 10 mile Family walk route), will take place on Sunday 5th July 2009, starting from Leatherhead Football Club (near the Leisure Centre). For those who are navigationally-challenged, the route for the Tanners Marathon is partially way-marked.

Before that, the Surrey Group will be holding **The Punchbowl Marathon**, Sunday 8th February (20 or 30 miles) from the Chichester Hall, Witley, nr Godalming.

Details and entry forms at www.ldwasurrey.co.uk

The London Group's **Founders' Challenge** (26 miles, 3000ft of ascent) will take place on Sunday 18th October, from the Memorial Hall, Peaslake.

Details of this event and many others are available on the LDWA web site at www.ldwa.org.uk

Provisional date for the Winter Tanners 2010 – Sunday 10th January

Fiona Cameron
